TOM CAMPBELL'S ELECTION NOW CERTAIN; WINS BY 300

PUPILS CATCH PRESIDENT; MAKE HIM SPEAK

While at Town Godfathering
Grandchild, Wilson Is Sur-
rounded by Admirers and
Forced to Talk.

IS GLAD ELECTION
OVER REGARDLESS

Partisan Feeling Is Now For-
gotten, He Says, and "We
Can Now Resume Welfare
of the Nation."

(By Review Leased Wire.)
WILLIAMSTOWN, Mass., Nov.
10.—In a speech here tonight be-
fore several thousand persons who
came from nearby towns to con-
gratulate him on his re-election,
President Wilson said:

"I want to say that now that
the campaign is over we must
think of only one thing, and that
is not of parties, but of the in-
terests of the great country we
all love. Let us forget all our
differences and unite for common
purpose. Only in that way can
we work for the great nation that
has given us liberty and peace."

The President's second speech of
the day here was delivered before
a crowd of men from North Adams,
Pittsfield and other towns who march-
ed to the home of Francis B. Sayre,
the President's son-in-law, where Mr.
Wilson is staying. The delegation sur-
rounded Mr. Sayre's home and cheered
until the President appeared on the
porch.

Fire and Drum Pipe Up.
A life and drum corps played patri-
otic airs. The majority of the people
belonging to the North Adams Wilson
and Marshall Club. Automobile search-
lights were thrown on the porch, and
brought out the President in bold re-
lief. He smiled broadly.

"We are here to congratulate you
on your re-election," said William F.
Grenier, president of the North Adams
Wilson and Marshall Club, in intro-
ducing the President. Mr. Wilson,
after thanking the crowd for "this
generous outpouring," said he had come
to Williamstown to avoid making
speeches.

"You will forgive me if I do not
discuss public affairs," he added.

Cheers for Baby Sayre.

During the day the President was in
communication with Democratic na-
tional headquarters regarding the pro-
gress of the counting of ballots of the
election. He made no statement, how-
ever. As the delegation began leav-
ing, a man called out: "Three cheers
for Baby Sayre!!!" and they were
given.

WILLIAMSTOWN, Mass., Nov. 10.—
"Now that the campaign is over we
may all address ourselves to the wel-
fare of the nation without thought of
partisan feeling," declared President
Wilson in his first public speech since
the national election, delivered before
a delegation of Williamstown residents
and Williams College students, who
greeted him late today. The President
was welcomed by the students and
townspeople after the christening of
Eleanor Axson Sayre, the second child
of his daughter, Mrs. Francis B. Sayre,
and for whom he stood as godfather.

Students Cheer Him.
Soon after his arrival at the home
of his son-in-law, assistant to the pre-
sident of Williams College, the dele-
gation headed by President H. A. Gar-
field, of the college, marched to the
Sayre home. The President spoke
from the porch of the house and was
cheered enthusiastically by the stu-
dents.

Forget Partisan Feeling.
"I came here to forget the field
of politics and for a brief rest. I came
simply to visit my daughter and to
attend a simple ceremony here today,"
he said. "Now that the campaign is
over we may all address ourselves to
the welfare of the nation without

PRESIDENT'S VICTORY BIGGEST IN HISTORY.

WASHINGTON, Nov. 10.—
Secretary Tumulty tonight sent
the following message to Presi-
dent Wilson at Williamstown,
Mass.:
"Election returns conclusively
demonstrate that your victory at
the polls is clear and decisive.
You have carried two thirds of
the states of the Union. The four
years of your administration have
brought you approximately 2,206,
614 more votes than when you
were first elected in 1912. This
is the greatest increase given to
an American president for a sec-
ond term since the Civil War,
and despite the character of op-
position, is the largest vote ever
received by a president from the
people of this country. You have
a popular plurality of 403,326, ac-
cording to the bulletin received from
the Associated Press."

DEMOCRATIC FLORIDA ELECTS REPUBLICAN.

TAMPA, Fla., Nov. 10.—For
the first time in a decade, a Re-
publican has been elected to the
Florida state legislature. Dr. H.
C. Shood, chairman of the Palm
Beach county, Republican execu-
tive committee, defeated Cecil R.
Phillips, Democrat.

GHOULS STEAL CROSSES FROM GRAVES AT CHIHUAHUA CITY

(By Review Leased Wire.)
EL PASO, Nov. 10.—All wooden
crosses have been stolen from the
graves of the municipal cemetery in
Chihuahua City by Carranza soldiers
and other for firewood, foreign re-
fugees who arrived at the border from
Chihuahua City last night, reported.
The private cemetery where the fore-
ign residents bury their dead is
locked and guarded to prevent it be-
ing robbed of crosses, the foreign re-
fugees declared.
One refugee reported seeing two
Carranza soldiers in uniform carrying
a timber from the house of a refugee
who had closed his home and gone to
the border. Roofs were being taken

ters Are Deserted.

(By Review Leased Wire.)
NEW YORK, Nov. 10.—Worn out
by the tension of waiting for the re-
turns from doubtful states which
would determine whether he had been
elected to the presidency, Charles E.
Hughes retired at 9 o'clock tonight.
He spent the day at his hotel except
for a two-hour automobile ride with
his wife this afternoon. Mr. Hughes
has not yet conceded the election of
President Wilson and probably will
not do so until the vote of close states
has been officially counted.

May Not Need Recount

George W. Perkins conferred this
afternoon with the candidate. He
stated that no definite decision had
been reached by party managers in
regard to demanding a recount in Cal-
ifornia, New Mexico and North Dako-
ta. He intimated action probably
would be deferred until the official
count was completed, in the hope that
there might be an overturn of the
comparatively slender Wilson plurali-
ties.

Managers' Duties Done
Republican national headquarters
here were deserted early tonight.
Chairman Willcox said that he would
not be on hand again except for con-
sultations.

CHIHUAHUA CITY IS SURROUNDED BY VILLA

(By Review Leased Wire.)
SAN ANTONIO, Nov. 10.—The Brit-
ish and German consuls left Chihua-
hua City during the day and the city
is surrounded by Villa forces, it was
reported in advices received tonight
at southern department headquarters
of the army. Another report said the
Mexican Central Railway has been
cut near Hipolito, east of Torreon,
presumably by Villa's men to prevent
the movement of troops from the
south to the relief of General Trevi-
no in Chihuahua City.

GERMANS PUSH BACK RUSSIANS TWO MILES AND CAPTURE 3000

(By Review Leased Wire.)
BERLIN, Nov. 10.—Driving against
the center of the Russian line on the
eastern front, German troops have
gained possession of Russian positions
on a front of about two and a half
miles. The attack, which resulted also
in the capture of more than 3,000
prisoners, took place in the district
of Skrowtowa, 12 miles northeast of
Buranovich, north of the Pinsk Mar-
ches, and where only isolated fighting
has occurred lately. The Russians,
Berlin also says, lost 27 machine guns
and 12 mine throwers.
The success of the Germans is ad-

Democrats and G. O. P. Each Have 215 Congressmen and New Mexico Is Unreported

(By Review Leased Wire.)
NEW YORK, Nov. 10.—With re-
turns missing tonight from only one
congressional district in the United
States the Republicans and Demo-
crats each had elected 215 represen-
tatives. The vote in New Mexico,
which is still in doubt, probably will
determine which party is to have a
plurality of one over the other. The
present member from New Mexico is
a Republican.
The balance of power in the next
House will be held by four men, one
a Progressive-Protectionist from Lou-
isiana, one an Independent from Mas-
sachusetts, one a Progressive from
Minnesota and the other a Socialist
from New York. Their action will
probably determine the choice of a
speaker.

NEW HAMPSHIRE FAVORING WILSON

(By Review Leased Wire.)
EL PASO, Nov. 10.—A Mexican
courier who was sent out from Chi-
huahua City to learn the fate of the
Americans in Parral failed to return
after ten days, a refugee from Chihua-
hua City reported today. As it has
been 13 days since these Americans
and other foreigners were last heard
from, their employers here fear they
have been killed. The American state
department is making every effort to
learn something of the Parral Ameri-
cans.

Secretary of State Bean announced
in his final statement of the day that
with five of the 294 precincts missing
the certified count was Hughes 43,422
Wilson 43,098, a Hughes lead of 324.
He pointed out, however, that these
figures included the Hughes vote in
two precincts, the clerks of which had
failed to credit Wilson electors with
any votes in their certificates. In
each instance the clerks later admitted
that an error had been made.

The Democratic state committee is-
sued the following statement tonight:
"We accept as apparently correct
the tabulations showing a plurality
in this state of seventy for Wilson.
That Wilson has carried the state ad-
mits of no doubt. No inspection of
the ballots can show a material
change. If there is any change at all
it would be favorable to the President.
The Democrats have not asked for a
recount and have made no charges of
fraud at any time. They have merely

PANIC HITS DEMOCRATIC RANKS AS TRUTH DAWNS CHARGES OF FRAUD MADE

CAMEL TO CAMPBELL INSTEAD OF TO EVERGREEN

When John Twomey last even-
ing sent a large, miniature camel
to George Ludwig, chairman of
the Republican County Central
Committee, with the instructions:
"We can't bury him so we want
to give him to the next governor of
Arizona. Instead of putting crepe
on him put a flag about his body.
We couldn't beat him." There
ended what, early in the after-
noon, promised to be a big cele-
bration by the supporters of
Governor Hunt.

It appears that all arrange-
ments had been made to hold a
big parade, with a band, a hearse
had been secured with red fire
and the other paraphernalia,
necessary to inter the Camel.

When it came time to start the
occasion, word came from Phoe-
nix that "the mighty had fallen."
And that Tom Campbell was over
the mark with a safe margin.
The parade was abandoned and
Tammany Hall, which is presided
over by John Twomey, one of the
best losers among the Hunt sup-
porters in the entire state, pre-
sented the miniature for trans-
fer to the successful Republican
candidate at Phoenix, with his
compliments.

CALIFORNIA IS FIGURING ON SPLIT VOTE

State Is for Wilson, But He
May Lose There Electoral
Votes, According to the
"Wise Ones."

(By Review Leased Wire.)
SAN FRANCISCO, Nov. 10.—Califor-
nia politicians settled down tonight to
prepare for a vigil and surveillance of
the semi-official count of the state by
county clerks and the final count by
the secretary of state. All proceed-
ings, leaders of both parties agreed,
will hinge on what develops in these
counts. At 6 o'clock tonight Wilson led
in the state by 3,636 votes. With
eighteen precincts missing the count
stood: Hughes, 463,832; Wilson, 466,
099.

Delegation May Split.

The California delegation was split
eleven to two in 1912 and was divided
several times previously. Tonight the
Republicans expected to get three of
the delegates and perhaps more.

Lawyers Watch Count.

Legal counsel has been retained by
Republicans and Democrats to aid in
watching the final count. In addition

Navaho County, Counted for
Hunt, Flops to Campbell by
Over 100 Votes and Helps
Along Victory.

PRACTICALLY ALL
PRECINCTS REPORTED

Appears Not a Chance For
Hunt Now—In Fact Defeat
Is Conceded by Many—
Senate May Go Republican.

(Special to The Review)
PHOENIX, Nov. 10.—The elec-
tion of Tom Campbell apparently
is assured by latest returns re-
ceived here. Navajo county,
which had been claimed by the
Democrats by 130 votes, reported
a majority for Campbell of over
100 votes. This news apparently
left the local Democratic work-
ers in some panic for the high
pitched yell of "fraud" rent the
night air.

Beginning of the End
Loss by Hunt of Navajo, Pima and
Graham, the switch of Yavapai to the
Campbell column by 40 votes, the as-
surance that Pinal and Coconino will
go for the Republicans, together with
an increasing lead in Maricopa, seem
to assure the end of the Democratic
administration.

Maricopa did it.
Maricopa's majority for Campbell,
according to the story of latest figures
now stands at 3494 which is some 1100
more than the most pessimistic Dem-
ocrat allowed him.

Results Relected
For a time the chaps with the busy
little pencils figured Baughn had
beaten Ross for the Supreme Court,
but later returns from Yuma, Mohave
and Cochise left the Pinal jurist some
what short of his hoped for majority.

Figures Unofficial
In compiling returns, the figures of
newspaper correspondents in Pinal,
Mohave, Cochise, Gila, Santa Cruz,
Navajo, Yavapai, Pima and Coconino
counties were used. In the other
counties the figures of next most re-
liable nature were used. Graham,
Greenlee, Yuma and Apache were re-
ported with but few missing precincts
and the totals gave Campbell a ma-
jority of 318 votes, too close for com-
fort, but enough to elect him.

Recount Likely
Undoubtedly there will be a num-
ber of calls for recount and the opin-
ion prevailing here is that such a pro-
ceeding would not injure the chances
of the aspirant against those of the
incumbent.

Senate G. O. P.

Along with the election of a Repub-
lican governor, Tom Maddock, chair-
man of the Republican central com-
mittee, claims the state senate has
been settled by the addition of a num-
ber of Republican legislators, but com-
plete returns on the next legislature
will not be available until today,
when some of the missing counts will
be reported.

The Hunt-Campbell vote by count
looks like this:

County	Hunt	Campbell
Pinal	56	
Mohave	586	
Cochise	770	
Gila	7143	
Santa Cruz		
Maricopa		3494
Navajo		100
Yavapai		40
Coconino		47
Apache	62	
Yuma	419	
Pima		360
Graham		204
Greenlee	403	
Totals	3983	4301
Campbell's lead, 318.
